

# WE'LL COME UNITED: THE SILENT UNIVERSITY TRUCK WITH OPEN MIKE

Subject: **The Silent University Truck with OPEN MIKE and DJ Nerima Groove at 'We'll Come United' – anti-racist parade – 29 September 2018, starting 12 am in front of Hamburg city hall (Rathausmarkt).**

Hamburg, 7 September 2018

## **What is knowledge? - Knowledge is not illegal! Knowledge is not white!**

To everybody!

Join the Silent University Truck! We unite against racism and fight for equal access to education. We don't want elitist knowledge for people of white skin only. We want an open access to education for everybody without bureaucracy. We want acknowledgement of, and respect for non-Western and non-white knowledge. What is your personal understanding of knowledge? Please come, join us, raise your voice, and tell your story to the public.

**'We'll come united' against deportation, exclusion and racist agitation – for freedom of movement, equal rights and access to education!**

'We'll Come United' is an anti-racist network with more than 300 organizations, who support the manifestation. People will come from all over the place. Our mikes are open for those who want to raise the voice: The history of our society is the history of migration. So, call us storytellers. We are here. We are coming. We are staying. 29 September 2018, the streets will be ours.
